

WORKSHOPS

LEAD THROUGH THE POWER OF YOUR RELATIONSHIPS

As a leader, your greatest influence does not come through power, experience or charisma. It comes through the example you set for the people you lead and the relationships you build with them.

The FISH! For Leaders Workshop is grounded in The FISH! Philosophy and the four simple practices – *Be There, Play, Make Their Day, Choose Your Attitude*. It's designed to help leaders inspire, through their example, a culture of trust, support, accountability, energy and creativity.

Key Learning Benefits:

- ✦ Build the trust that helps teams be more productive and adapt quickly to change.
- ✦ Listen and communicate better.
- ✦ Embody the attitudes and values you want to see in your organization or team.
- ✦ Remove fear and inspire people to be their best for customers, for each other and for the organization.

FISH! For Leaders workshops are offered in a full or half day format, or as a professional development series of six thought provoking sessions.

Join the inspired today, and bring a FISH! For Leaders Workshop to your organization!

*For anyone aspiring
to be a great leader...
